

Gyrofocus suspended rotating fireplace, design by Dominique Imbert for FOCUS.

Sculptural built-in Metafocus 6 fireplace, FOCUS.

The gas stones eliminate the log look of traditional gas log sets and fireplace inserts, clean, contemporary and thoroughly modern, EUROPEAN HOME.

Maxi-trend HOT AS FIRE

With their real or fake logs, these chimneys are the queens of cozy atmospheres.

Wood burning stoves are trendier than ever and the Rock500WB has a very contemporary design, STOVAX & GAZCO.

Seethrough fire, double burner, choice of log set, white Carrara pebbles, white or grey stones, Tenore 100 chimney, ELEMENT 4.
