Designer Surrounds for Element4

Electric Fireplaces by Electric Modern

European Home is launching a new electric fireplace line called **Electric Modern**. This line of electric fireplaces uses Evoflame technology which provides stunningly realistic flame effects while utilizing efficient LED lighting. All the fireplaces in the line can be controlled with the E-touch App from your smart phone or tablet.

E Series

The E Series can be installed nearly anywhere, from a high-rise condo to a tiny home. These zero emission fireplaces are a smart choice for many eco-conscious consumers. They come in 4 sizes (32", 40", 60", & 72"), single, corner, or 3-sided configurations, and come standard with an ultra-realistic Woodland log set* for a clean, modern look.

E32 H Single-sided

E40 Single-sided

E60 3-Sided

Suites

Suites come all-in-one with choice of size (44" or 60"), surround color (White-Stone or Black), and Woodland log set* to make you feel as though you are sitting in front of a real woodburning fireplace. With suites, it's all included. Just plug and play.

Compton 1000 (60") with Black Surround

Compton 2 (44") with White Stone Surround

**Other fire media may be used as long as it is non-combustible.*

J Series Corner Style outdoor gas fireplace: created with thick gauge stainless steel and vent-free flexibility.

Designer Surrounds for Element4

Due to the overwhelming response we've received on the Designer Surrounds for our H Series fireplaces, we are now offering surrounds for the Element4 Modore family. The surrounds are available for the Modore 95, 140, and 185. You may design your dream fireplace surround from our digital surround builder, found here: (www.europeanhome.com/element4-designer-surrounds).

Choose your size, configuration, and finish materials with over 200 combinations possible.

Above: Fulcrum surround featuring Brushed Brass Aluminum metal, Bianco Marble finished tile and a Black Aluminum trim.
